

Loan Review Services

→ Mitigate Risk Within Your Loan Portfolio

Our loan review services provide financial institutions with an independent evaluation of loan quality through the identification of repayment risks, underwriting standard and practices, loan administration, monitoring, and risk mitigation practices. **So, what does a loan review look like for your institution?**

LOAN REVIEW PROCEDURES

- ✓ Review loan documentation & administration
- ✓ Review underwriting & loan renewal processes & procedures
- ✓ Identify loans with credit weaknesses that warrant management's attention
- ✓ Review management's action plan for reducing the exposure in the aforementioned credits
- ✓ Identify trends that may adversely impact loan portfolio quality, potential problem areas, & review management's action plans to reduce unacceptable exposures
- ✓ Identify loans that do not comply with the requirements of the lending policy or regulation

► SUPPORTING FINANCIAL INSTITUTIONS

Financial institutions operate in a complex environment, and your decision makers need to have all the information before moving forward. Since 1966, KPM has served institutions at all stages - from organizational and development planning to multi-institution holding companies.
