

Employee Benefit Plans

↳ Customized Audit & Consulting Solutions To Fit Your Unique Needs

In a competitive job market, employee benefit plans give you a distinct edge in the quest for quality team members. If you don't have a benefit plan or yours isn't performing well, KPM can help you design a custom plan or improve your existing one. We also audit a range of plans, including defined benefit and contribution plans, Employee Stock Ownership Plans, and health and welfare plans. Our consultants can assist with IRS and Department of Labor (DOL) compliance, third-party administration, and investment strategies.

▶ AUDIT & CONSULTING SOLUTIONS FOR:

- Defined Benefit Plans
- Defined Contribution Plans: 401(k) & 403(b) Plans
- Employee Stock Ownership Plans
- Health & Welfare Plans

COMMITMENT TO QUALITY

We're committed to providing the highest quality of service, which is demonstrated through our membership in the American Institute of CPAs' (AICPA) Employee Benefit Plan Audit Quality Center (EBPAQC).

Our team receives annual continuing education as required by EBPAQC to remain current on all the latest audit techniques, ERISA topics, DOL requirements, and other pertinent plan-related issues.
