

KPM CARES

↳ This Firm Has A Heart For The Community

We believe in building stronger communities through the commitment of time, talent, and resources and understand there's only one way to lead — by example.

It's important to us to support our non-profit clients and encourage our team members to pursue community involvement through volunteer opportunities, charitable giving, civic engagement, and professional memberships. Under our **KPM CARES** banner, we accomplish this through four key programs:

PROGRAMS WITH PURPOSE

Clients With A Cause

Fiscally supports non-profit clients & promotes awareness through staff donations & firm promotions

Community Cash

Encourages community involvement & firm recognition via employee-driven sponsorship opportunities

Helping Hands

Volunteer opportunities to provide hands-on experiences for character development & team building

Membership Matters

Encourages professional development & community involvement through board service & civic memberships

COMMUNITY IMPACT

Each year, we gladly invest in our community in the amount of **900+ hours** volunteered, **100+ organizations** supported, and **\$70,000+ dollars** donated.
